Sample Keynotes

OVERCOME OVERWHELM

Do you experience chronic stress at work? Does this stress negatively impact your productivity? Your overall job performance? Your attitude toward your work? Your well-being? There is a solution: Simple tools and techniques that will help you to be in better control of your work and your life.

BE TRUE: LIVING AND LEADING AN AUTHENTIC LIFE

Do you live life on your own terms or as expected by others? Do you find yourself in an endless cycle of work and household responsibilities and obligations? Do you live with purpose and passion? I lead participants on a journey toward deeper meaning and connection with themselves.

LEADERSHIP IN TIMES OF UNCERTAINTY

One thing is certain – we live in uncertain times. We also live in a world that never stops. We must learn to adapt to uncertainty and find a way to plan and succeed through busyness, turmoil and volatility. We must find stillness amid the motion.
